Total Hours

30

Master of Science Accounting in Accounting (Fast-Track Bachelors + Masters) Option II Non-Thesis

The Fast-Track Bachelors + Masters degree program allows undergraduate students in the BBA in Accounting undergraduate program to begin coursework towards the Master of Science Accounting in Accounting program during their senior year at East Texas A&M University. Students can earn a BBA and MSA degree in five years upon completion of degree requirements for both degrees. For this Fast-Track Bachelors + Masters program, a maximum of 12 graduate hours may be taken as an undergraduate student (graduate courses cannot be applied to the undergraduate degree). Once admitted, the Fast-Track Bachelors + Masters candidate must maintain a 3.00 Undergraduate GPA. In the final semester of the student's undergraduate program, a new online Apply Texas Application for the master's Fast-Track Bachelors + Masters program must be submitted to gain admission and continue taking classes to complete the master's program.

This degree requires completion of the degree core, research class, and at least one area of emphasis for a minimum of 30 credit hours.
