

Homeland Security Graduate Certificate

The Homeland Security Graduate Certificate is for those with an interest in national defense. It is designed to attract members outside the traditional criminal justice field. The graduate certificate is designed to give students a broad understanding of homeland security issues and to enhance leadership capabilities among those who currently work in local, state, and federal government and others who are interested in gaining greater knowledge about the field of homeland security. This program would introduce the student to homeland security concepts, applicable management principles, policy analysis, and enhance critical leadership skills necessary to successfully address security challenges within the United States.
