

# Pre-Physician's Assistant

Advisor: John Slovak, Department of Biological and Environmental Sciences, 903-886-5378

The Physician's Assistant Program requires two years of undergraduate training to gain admission to the School of Allied Health Professions, Southwest Medical School in Dallas; School of Allied Health Sciences, University of Texas Medical Branch in Galveston; and Baylor College of Medicine in Houston. Completion of the program may lead to a baccalaureate degree in health care sciences, certification as a physician's assistant, and eligibility to write the National Certification Examination administered by the National Board of Medical Examiners.
