

Social Work B.S.W.

Due to the complexity of the curriculum, students are expected to obtain advisement by the B.S.W. Director prior to registration each semester.

The major consists of 60 sh, 54 sh of which are in social work. The remainder are supporting disciplines of psychology and sociology. A second major or a minor is not required for social work majors.

Students seeking a bachelor's degree as Social Work major must complete:

1. degree requirements for a Bachelor of Social Work degree and
2. Core Curriculum Requirements (refer to that section of this catalog)

Students must complete Field of Study (FOS) courses: SWK 2361 Introduction to Social Work; SWK 2362 Social Welfare: Legislation, Programs, and Services; SWK 2389 Academic Cooperative, MATH 1342 Elementary Statistical Methods or Psych 2317, and SOC 1306 Contemporary Ideas and are expected to have completed prior to taking courses in the major. Students expecting to transfer courses from a community college or another four-year university should take courses that are equivalent to these courses. Please contact the department if you have questions.

The professional foundation in social work education is built on a liberal arts perspective. Students will be expected to have finished most Core Curriculum requirements coursework before admission to the Social Work Program. Students who have less than 12 hours of core requirements remaining to be completed may be considered for admission to the program.

To ensure that the knowledge, skills, and values necessary for beginning generalist social work practice are acquired and integrated by the student in an orderly progression, the curriculum is carefully sequenced. Prerequisites and concurrent enrollment requirements are strictly observed.
